

# Down to the market

[unknown]

I'm gonna take you down to the market, lover  
'cause that's where the trouble starts  
You gotta get it into your heart  
There are people out there to make you feel bad  
But don't you listen, baby don't you listen Because I know you feel that way

But I'm getting so tired of people always crossing my wires  
Life's just far too short for miscommunication

I'm gonna take her down to the market today  
Cause that's where the trouble starts  
You don't want nobody else  
There are people out there to make you feel good  
But don't you listen, baby, don't you listen Because you know they want it all

But I'm getting so tired of people always crossing my wires  
Life's just far too short for miscommunication.

Oh I'm getting so tired of people always crossing my wires  
Life's just far too short for miscommunication.

Communication, communication
