Jackpot

Derailers

Whoa, oh, I hit the jackpot, you better bet while I can
Right now my hand is red hot, hotter than a fryin' pan
Gonna throw all my chips in the pot 'cause I've got a winning hand
Whoa, oh, I hit the jackpot 'cause I'm your loving manAt the rainbow's end, there's a pot of gold
Overflowing with riches untold
The clouds have been forming dollar signs
Ever since you've been mineOh, oh, I hit the jackpot 'cause I'm your lovin' man
Oh, oh, I hit the jackpot, honey you're my lucky charm
I spin the wheel, baby roll the dice and tug on that old bandit's arm
Gonna take all my winnings downtown, an' buy you a wedding band
Oh, oh, I hit the jackpot 'cause I'm your lovin' manAt the rainbow's end, there's a pot of gold
Overflowing with riches untold
The clouds have been forming dollar signs
Ever since you've been mine
Oh, oh, I hit the jackpot 'cause I'm your lovin' manYes sir at the rainbow's end, there's a pot of gold
Overflowing with riches untold
The clouds have been forming dollar signs
Ever since you've been mineOh, oh, I hit the jackpot, 'cause I'm your lovin' man
'Cause I'm your lovin' man, 'cause I'm your lovin' man
