Oh Santa!

Mariah Carey

Santa's gonna come and make him mine this Christmas

Santa's gonna come and make him mine, mine, oh Santa

Santa's gonna come and make him mine this Christmas

Santa's gonna come and make him mine, mine, oh SantaSanta, if you get this letter won't you help me out?

I know you're kinda busy with your elves right now

And I don't know how

How do you do while I sleep on Christmas EveBut it's amazing

And I bet that you could bring me back my baby

Because every time I see Christmas lights

I feel this burn inside and I just can't take itI saw them shopping last week

And his new girl was so bleak

And then I swore to myself

Santa's gonna come and make him mine this Christmas nightHo-ho-ho

Santa's gonna come and make you mine this Christmas

Santa's gonna come and make you mine, ho-ho-ho

Santa's gonna come and make you mine this ChristmasOh Santa, I heard that it's really gonna snow this year

So I hope Rudolph and them other 8 reindeer

Get you safely here

So you can scoop him up and swoop him right down my chimneyI've been really, really, really good this year

So put on that red suit and make him appear

This Christmas cheer just ain't the same without my baby

Come on, oh Kris Kringle, send me helpThey say it's unrealistic

But I believe in you, Saint Nick

So grant this wish for me right quick

Santa won't you come and make him mine this Christmas nightHo-ho-ho

Santa's gonna come and make you mine this Christmas

Santa's gonna come and make you mine, ho-ho-ho

Santa's gonna come and make you mine this Christmas nightOh Santa, oh Santa

Oh, oh, oh Santa

C'mon SantaSanta's gonna come and make you mine this Christmas

Santa's gonna come and make you mine, mine

Santa's gonna come and make you mine, mineOh Santa Claus, if you get this letter please don't make me wait

'Cause all December I'll be counting down the days

Hop on your sleigh

I promise that I won't forget the milk and cookiesThe tree's all sparkly and gold

But inside I feel so cold

So soon as you leave the North Pole

Santa won't you come and make him mine this Christmas? Santa's gonna come and make you mine ho-ho-ho
Santa's gonna come and make you mine this Christmas

Santa's gonna come and make you mine ho-ho-ho
Santa's gonna come and make you mine, mineSanta's gonna come and make you mine ho-ho-ho
Santa's gonna come and make you mine ho-ho-ho
Santa's gonna come and make you mine ho-ho-ho
Santa's gonna come and make you mine this Christmas
Santa's gonna come and make you mine this Christmas
Santa's gonna come and make you mine ho-ho-ho
Santa's gonna come and make you mine, mine
