

# They Call Us Run-D.M.C.

## Run-DMC

Now that I waxed the crowd, I'm feeling proud and loud  
Shoulda screamed on a sucker, but I stepped and bowed  
Now that I'm back to 'tract, I'll attack for fun  
Darryl Mack and Jack is never wack or lack they call us Run-D.M.C., Run-D.M.C. I'm strapped with rap when I  
attack, I'm stunning  
Darryl Mack on track and I'm off and running  
Don't sneak this peak because I keep on taking  
The lead with speed and records keep on breaking I pop and drop all opposition  
And pop hip-hop 'cause I'm the top position  
I ill and chill 'cause my skill is super  
For a mill I thrill but I'm still a trooper I'll slay and stay 'til there are none  
So romance and dance and prance, a to the chants of Run-D.M.C., Run-D.M.C.  
Run-D.M.C., Run-D.M.C. Well, I stomp and chomp all competition  
Make break and take you cold on a mission  
Raise hell, excel and tell you who's winning  
I'm boss, you lost before the game, first inning Let's go and flow to the rhymes, I'm saying  
'Cause it's fun for Run to see the crowd, obeying  
Mic be checking, I'm wrecking we're never second to none  
So let's snap and clap and tap, to the to the rap of Run-D.M.C., Run-D.M.C. I'm not the king because I sell the  
most  
I just bring the laws 'cause I'm the host  
I got a crown I wear, so what it mean? I rule  
I come to town they stare 'cause D.M.C. is cool And the deal is on because the crowd is on it  
Drop this beat and pause, the tables are turning  
Break backs on track and I can even act  
So Max, relax, new jacks and get the facts from Run-D.M.C., Run-D.M.C.  
Run-D.M.C. They call us on the phone  
They call us all alone  
They call us where we roam  
They call us when we're home They call us up to par  
They call us in our cars  
They call us in the bars  
They call us superstars  
They call us Run-D.M.C., Run-D.M.C.  
Run-D.M.C., Run-D.M.C.
