Dominion

The Acorn

Remember to draw the blinds, and grant the light a days dominion over you and I.
Cuz the things I remember most, coulda held the long long night.
And the things I could've done, coulda held the hardest mind harder than most.I don't fool myself, or cast an eye on the acres of misgiving, facing you and I.
Cuz the things I remember most, coulda held the long long night.
And things I could've done, coulda held this heart of mine longer than most.
