

# Lotus Flower (Jacques Greene rmx)

## Radiohead

I will shape myself into your pocket

Invisible

Do what you want

Do what you want

I will shrink and I will disappear

I will slip into the groove and cut me off

And cut me off

There's an empty space inside my heart

Where the weeds take root

And now I'll set you free

I'll set you free

There's an empty space inside my heart

Where the weeds take root

So now I'll set you free

I'll set you free

Slowly we unfurl

As lotus flowers

'Cause all I want is the moon upon a stick

Just to see what if

Just to see what is

I can't kick your habit

Just to fill your fast ballooning head

Listen to your heart

We will shrink and we'll be quiet as mice

And while the cat is away

Do what we want

Do what we want

There's an empty space inside my heart

Where the weeds take root

So now I'll set you free

I'll set you free

'Cause all I want is the moon upon a stick

Just to see what if

Just to see what is  
The bird lights float into my room

Slowly we unfurl  
As lotus flowers  
'Cause all I want is the moon upon a stick  
I dance around the pit  
The darkness is beneath  
I can't kick your habit  
Just to feed your fast ballooning head  
Listen to your heart
