Hold Me Tight

Alyssa Bernal

[Verse 1: Alyssa]
Close the door, turn the key
In this room it's just you and me
There's no outside and there's no end
This isn't even a beginning
Let's take a chance, see what we find
Cause in this space we don't need to hide
It's in our hearts, yeah, we'll be safe
You're not alone, don't be afraid[Chorus: Alyssa]
Hold me now, hold me tight,
Hold me all through the night
Let it go, the fear, the doubt,
Lock me in don't let me out
It's so dark, the place I've been,
But with you I feel alive again
And I know it can't be us, but tonight
Just hold me tight[Verse 2: Jason]
I've been kissed and thrown away
Left to drown, Oh, I've prayed
That I would find something so beautiful
I just wanna live and be loved so[Chorus: Both]
Hold me now, hold me tight,
Hold me all through the night
Let it go, the fear, the doubt,
Lock me in don't let me out
It's so dark, the place I've been,
But with you I feel alive again
And I know it can't be us, but tonight
Just hold me tight[Bridge]
[Alyssa] I've been living like a fool
[Jason] Just like a fool
[Both] I wanna live a life that's full
[Jason] Oh do you remember?
[Alyssa] Hey...[Chorus: Both]
Hold me now, hold me tight,
Hold me all through the night
Let it go, the fear, the doubt,
Lock me in don't let me out
It's so dark, the place I've been,

But with you I feel alive again
And I know it can't be us, but tonight
Just hold me tight
Just hold me tight
