Hurry Up

Abaendon

Ring comes out
Eyes open
Morning is on its way
Get up, get washed, dressed, eat, teeth
Damn the clockâ€™s ticking
I'm so late

(Hey Hey Hey)
Hurry up
(Hey Hey Hey)
Everybody bumps

Down the stairs to catch the subway
I'm still late
Staring at my watch
But I did it
I cross the door
And go to work
work starts again

(Hey Hey Hey)
Hurry up
(Hey Hey Hey)
Everybody bumps
(Hey Hey Hey)
Don't you stop
Or you wonâ€™t be in anymore

Run, run you fool
You're just a tool
So what's coming next?
Follow the rules
