

You're the One

Tracy Chapman

Um hmm
Some say you're crazy
Say that you're no good
Say your family's cursed with bad blood
But I think you're cute and misunderstood
And I wouldn't change you if I could
Let 'em talk you down
Call you names
My mind's made up
It ain't gonna change
I'm sure in my heart
Happy and free
You're the one
You're the one
You're the one for me
Some say you're bitter
Think you're mean
Uncouth untamed and unrestrained
But I think you're sensitive and sweet
Stay as you are
Don't change a thing
Let 'em talk you down
Call you names
My mind's made up
It ain't gonna change
I'm sure in my heart
Happy and free
You're the one
You're the one
You're the one for me
Some say you're bawdy
Wicked and wild
A restless useless juvenile
But I think you're funny and I like your smile
Want to be with you
Want you to stay a while
Let 'em talk you down
Call you names
My mind's made up
It ain't gonna change
I'm sure in my heart
Happy and free
You're the one
You're the one

You're the one for me A no count mixed up
Amount to nothing
A day away from a bum on the street
Some low class kind of royalty
That's what they say about you
When they're talking to me Some say you're bad
A bad bad seed
You love to play with fire you love gambling
But I know what you love and I know what you need
And I like it when you play with me Let' em talk you down
Call you names
My mind's made up
It ain't gonna change
I'm sure in my heart
Happy and free
You're the one
You're the one
You're the one for me I'm sure in my heart
Happy and free
You're the one
You're the one
You're the one for me
