I Can't Sleep

Us5

I cant sleep
Jay:
You don't like my style
I feel I'm not your type
My life turns around
I'm thinking of you every day
Ah ah
They keep telling me
Don't go wastin' time on this sweet fantasy
But it's not comin' through
'Cause all I ever wanted was you
Ah ah
Bridge:
Late at night when I'm walkin' alone
I Got the feelin' that you don't even know
'bout the thoughts that are hidin' inside
It's time for you to get in my life
Chorus: 2x
I can't sleep, late at night
I can't eat, I just cry
I need you, in my life
So tell me where you're sleepin' tonight
Chris:
You keep playin' me
Like I'm some kind of creep
I wish you would see
I'm more than just an average guy
Ah ah
I must be a fool
Because I keep on running chasin' right after you
Tell me what to do
To get a chance to be next to you
Bride....
Chorus 2x....
....Break.....
Bridge....
Chorus 2x?
One of us
Richie

They passed me by,
all of those great romances
You were, I felt, robbing me of my rightful chances
Mikel:
My picture clear, everything seemed so easy
And so I dealt you the blow
One of us had to go
Now it's different, I want you to know
Chorus:
One of us is crying
One of us is lying
In her lonely bed
Staring at the ceiling
Wishing she was somewhere else instead
One of us is lonely
One of us is only
Waiting for a call
Sorry for herself, feeling stupid feeling small
Wishing she had never left at all
Chris:
I saw myself as a concealed attraction
I felt you kept me away from the heat and the action
Jay:
Just like a child, stubborn and misconceiving
That's how I started the show
One of us had to go
Now I've changed and I want you to know
Chorus:
One of us is crying
One of us is lying

In her lonely bed
Staring at the ceiling
Wishing she was somewhere else instead
One of us is lonely
One of us is only
Waiting for a call
Sorry for herself, feeling stupid feeling small
Wishing she had never left at all
Never left at all
Richie:
(yeah taken' me back, yo, taken' me back
A-B-B-A, Abba,haha, One of us, US5, haha)
Staring at the ceiling
Wishing she was somewhere else instead

One of us is lonely
One of us is only
Waiting for a call
Sorry for herself, feeling stupid feeling small
Wishing she had never left at all
Never left at all
Your love
Chris:
Girl, the only way to make things right,
Is for us to be satisfied, so why you wanna waste my time
Jay:
I've been thinking 'bout you day and night
I can't continue with this life
You better make up your mind
Bridge:
People say, I shouldn't be so blind
Beggin' after all this time
But your love is my love, It's something I can't deny
Chorus 2x:
I can't deny I'm beggin',
I can't deny you're playin',
Why you wanna be so cruel to me
Girl you gotta understand, my love is your love
It's a feelin' I can't deny
Richie:
Girl, I need an explanation now,
On what this love is all about
And how we're gonna work this out
Mikel:
Time [time] is passin' right before our eyes
We gotta make a sacrifice
Or maybe we schould think twice
Bridge:
People say, I shouldn't be so blind
Beggin' after all this time
But your love is my love
It's something I can't deny
Chorus 2x:
I can't deny I'm beggin'
I can't deny you're playin'
Why you wanna be so cruel to me
Girl you gotta understand
My love is your love
It's a feelin' I can't deny
Fade A 7x:

(Haa's...)
Fade B 4x:
I can't, I can't leave you
I can't, I can't get enough
Chorus 2x:
I can't deny I'm beggin'
I can't deny you're playin'
Why you wanna be so cruel to me
Girl you gotta understand
My love is your love
It's a feelin' I can't deny
Fade A 7x:
(Haa's...)
Fine:
I can't deny I'm beggin [beggin...beggin
