

# Never Let Me Down

## Smashing Pumpkins

I'm takin' a ride with my best friend  
I hope he never lets me down again  
He know where he's takin' me  
Takin' me where I wanna be  
I'm takin' a ride with my best friend  
We're flyin' high  
Watchin' the world pass us by  
Never want to come down  
Never want to put my feet back down on the ground  
I'm takin' a ride with my best friend  
I hope he never lets me down again  
Promised me, I'm safe in his houses  
As long as I remember who's wearing the trousers  
I hope he never lets me down again  
We're flyin' high  
Watchin' the world pass us by  
We're flyin' high  
Watchin' the world pass us by  
Never want to come down  
Never want to come down  
Never want to come down  
Never want to put my feet back down on the ground  
See the stars, they're shinin' bright  
Everything's all right tonight  
See the stars, they're shinin' bright  
Everything's all right tonight
