Some Girls

Bananarama

You tell me, "I can make your world go round"
I'm a young girl, young girls never want to settle down
You want me, I think you need to feel secure
You don't understand me, I need so much more

Some girls like to flirt and play
Some girls always get their way
Some boys never know why
Some girls like to scream and shout
Some girls put themselves about
Some boys never know why

In my mind you seem to be the perfect kind
How can I tell you I haven't really got the time?
You wish I was ready I want you to wait
Listen to me boy before it gets too late

Some girls like to flirt and play
Some girls always get their way
Some boys never know why
Some girls like to scream and shout
Some girls put themselves about
Some boys never know why

Some girls, some girls
Boys, boys, boys
Some girls scream and shout, scream and shout
Some girls flirt and play
Some girls always get their way

You want me, I think you need to feel secure
You don't understand me, I need so much more

Some girls like to flirt and play
Some girls always get their way
Some boys never know why
Some girls like to scream and shout
Some girls put themselves about
Some boys never know why

Some girls like to flirt and play
Some girls always get their way
Some boys never know why
Some girls like to scream and shout
Some girls put themselves about
Some boys never know why
