

# I Will Let You Go

**Daniel Ahearn**

Put your hands in the water, watch them go under  
Put your hands to the light, watch the light come through  
And I will let you go  
And I will let you go

Put your time on the table see who'll sit down with you  
Give your love to the ones who offer you bruise  
After bruise  
After bruise  
And I will let you go  
And I will let you go  
And I will let you go
