

Dear Cocaine

Crossfade

Dear Cocaine Im not your bitch
Dear Cocaine Im not your whore anymore
I hate the day we ever met
The times with you Ill just forget
Dear Cocaine quit calling me
The phone is off and Im fast asleep
I cant recall when we last slept
The times with you Ill just regret
What can I say I said that Im not your bitch
Or should I have to say
Im not your whore anymore
Im coming down
Dear Cocaine youre not my friend
Dear Cocaine this is the end
Cause I miss the days when I used to smile
When life was simple and so alive
So Dear Cocaine dont follow me
Dont turn around dont say a thing to me
Let me go cause I know that I can do this on my own
Dear Cocaine Im not your whore anymore
Im not your whore anymore
Im coming down
Down
Im coming down
Im coming down
Im not your whore anymore
Im not your whore anymore
Im coming down
