## **Dear Cocaine**

## **Crossfade**

Dear Cocaine Im not your bitch Dear Cocaine Im not your whore anymore I hate the day we ever met The times with you Ill just forget Dear Cocaine quit calling me The phone is off and Im fast asleep I cant recall when we last slept The times with you Ill just regret What can I say I said that Im not your bitch Or should I have to say Im not your whore anymore Im coming down Dear Cocaine youre not my friend Dear Cocaine this is the end Cause I miss the days when I used to smile When life was simple and so alive So Dear Cocaine dont follow me Dont turn around dont say a thing to me Let me go cause I know that I can do this on my own Dear Cocaine Im not your whore anymore Im not your whore anymore Im coming down Down Im coming down Im coming down Im not your whore anymore Im not your whore anymore Im coming down
