Mixed Up

Corbin Bleu

Mixed up and I think I like it
Mixed up and I think I like it
Mixed up and I think I like it
Feels so different, I'm cool with itMixed up and I think I like it
Mixed up and I think I like it
Mixed up and I think I like it
Feels so different, I'm cool with itMillion kids out there like me
On the dance floor, wanna be free
Something 'bout getting lost in the crowd
You can't hear problems 'cause the music's too loudI don't care what people be sayin'
I'm gonna do things my own way
Original, no Xerox copy
Leader, not a follower so back up off meIf you're from the rhythm nation
Let me hear you all say, hey, ya
Join in on the conversation
Put your two cents and say, hey, yaMixed up and I think I like it
Mixed up and I think I like it
Mixed up and I think I like it
Feels so different, I'm cool with itMixed up and I think I like it
Mixed up and I think I like it
Mixed up and I think I like it
Feels so different, I'm cool with itM-M-Mixed up
M-M-Mixed up
M-M-Mixed upI don't worry 'bout tryin' to fit in
Long as you're cool we can be friends
I'm a little bit of this, a little bit of that
Best of both worlds all over the mapI'm just a regular guy
I ain't even gonna lie
I'm trying to figure it out
What this life thing's all aboutIf you're from the rhythm nation
Let me hear you all say, hey, ya
Join in on the conversation
Put your two cents and say, hey, yaMixed up and I think I like it
Mixed up and I think I like it
Mixed up and I think I like it
Feels so different, I'm cool with itMixed up and I think I like it
Mixed up and I think I like it
Mixed up and I think I like it
Feels so different, I'm cool with itWhy you gotta place me in a category?

I'm just trying to be me and that's all I can be
It's only half of the story but if you'll read to the end
Maybe then you'll begin to understand meM-M-Mixed up

Mixed up and I think I like it
