

# After Goodbye

Kym Marsh

I thought, I heard you whisper  
Between the broken light  
I turned to see, to see you fade away  
Sometimes, I sit and wonder  
Just how you could be gone  
And tell me why, forever couldn't stay  
Remember, never walk away  
Never walk away, we used to say  
I thought, we were here to stay  
Guess, we had to go our separate ways  
After goodbye, I remember you  
You'll always be a part of me I'll hold on to  
And after goodbye, no matter what I do  
I'll never be that far away, I'll be there for you  
Even after goodbye  
I'll still feel every tear-drop  
I keep them here inside  
But I always thought, I thought that we can't fight  
Remember, never walk away  
Never walk away, we used to say  
I thought that we were here to stay  
Guess, we had to go our separate ways  
After goodbye, I remember you  
  
You'll always be a part of me I'll hold on to  
And after goodbye, no matter what I do  
I'll never be that far away, I'll be there for you  
Even after goodbye, I'll always remember  
With every step I take, the dreams that we shared  
I'll never let them go, I'll hold them forever more  
I swear  
After goodbye  
(Goodbye)  
I remember you  
(I remember you)  
You'll always be a part of me  
(A part of me)  
I'll hold on to  
(Be a part of me too)

And after goodbye  
(Goodbye)  
No matter what I do  
(Do)  
I'll never be that far away  
I'll be there for you  
Even after goodbye
