

After Goodbye

Kym Marsh

I thought, I heard you whisper
Between the broken light
I turned to see, to see you fade away
Sometimes, I sit and wonder
Just how you could be gone
And tell me why, forever couldn't stay
Remember, never walk away
Never walk away, we used to say
I thought, we were here to stay
Guess, we had to go our separate ways
After goodbye, I remember you
You'll always be a part of me I'll hold on to
And after goodbye, no matter what I do
I'll never be that far away, I'll be there for you
Even after goodbye
I'll still feel every tear-drop
I keep them here inside
But I always thought, I thought that we can't fight
Remember, never walk away
Never walk away, we used to say
I thought that we were here to stay
Guess, we had to go our separate ways
After goodbye, I remember you

You'll always be a part of me I'll hold on to
And after goodbye, no matter what I do
I'll never be that far away, I'll be there for you
Even after goodbye, I'll always remember
With every step I take, the dreams that we shared
I'll never let them go, I'll hold them forever more
I swear
After goodbye
(Goodbye)
I remember you
(I remember you)
You'll always be a part of me
(A part of me)
I'll hold on to
(Be a part of me too)

And after goodbye
(Goodbye)
No matter what I do
(Do)
I'll never be that far away
I'll be there for you
Even after goodbye
