Maximizer

Safe Mode

I called to redeem myself
I called but no one heard
No one in the world can help me but you
One shot is enough today
One shot to relive my pain
One shot in the night to run with you
Give me more
Baby give me all you can
I wanna maximize my head
Just I want to run to run to run to run
Give me more
Baby give me all you can
I wanna maximize my head
Just I want to run to run to run to run
Backbeat knocking in the air
your feet dancing everywhere
I wanna feel the sound of faith with you
Tuxedo and black bow tie
Oh baby I born to die
Please tell me I can get high with you
Give me more
Baby give me all you can
I wanna maximize my head
Just I want to run to run to run to run
Give me more
Baby give me all you can
I wanna maximize my head
Just I want to run to run to run to run
