

# Macking And Pimping

## Turk

[Turk talking]

Uh uh

Look bitch better have my money (Better have my money)

NiggaUh uh

Uh uh (Uh uh)

Bitch (Bitch better have...)

That bitch better have my money

Mackin' n pimpin' these hoes[Turk]

I make a bitch call me daddy like I made that bitchLike I'ma take her to the movies, fuckin' where I meant to

Dressed up keep her healthy tell her crazy shit

Makin' a bitch confused that's what I'm in to

Five minutes all it take, I can brake any race

Black, white, Hispanic it don't matter to me

Cause nigga pimpin' ain't dead, nigga just scared

Lovin' these hoes and steady gettin' paidFall weak for a bitch, never did never will

Beat a hoe like Ike nigga that's on the real

Tryna go under, and I find out

Strip her naked put her in a tub of ice in my house

Get a python snake scare the bitch half to deathI bet, I don't have problems after that

Keep my hoes in line, look never disrespect

All they do is make money and bring it back to me[Kenoe: Chorus x 2]

First I mack the bitch, get her on my team

Make her fall in love fill her head up with dreams

Then I pimp the bitch have her makin' green

All day and night bring it back home to me[Kenoe (Turk)]

Pimpin' ain't easy that's why we dog these hoes

Might over macks we don't love these hoes

Rule number one, never ever trust a bitch

Cause a hoe will getcha fucked up and leave ya dick sick

Puerto Rican, Dominican all kinds of bitches

Like to suck on they titties put my dick in they kittens

But I'll bat a bitch up if she cross me

Like that hoe named Ashley made her suck meBitch please, you try to keep my car

I putcha truck on ?? punch a girl in the jaw

Like Turk said (Bitch you must not know my background)

Night rider, Skinny Pimp n reppin' that Oaktown

Got a ?? in every city and I fly for freeGettin' brain on the plane gettin' high with me

My uncle Snoop Dogg told me to maintain my G

Fuck a captain save-a-hoe

I make the hoe save me[Kenoe: Chorus x 2][Turk]  
Kenoe, look..  
Nigga pimpin' aint easy but somebody gotta do itPut these hoes to work, make them think it's all good  
Gotta let a bitch know where the fuck she stand  
Which one wear the skirt and which one wear the pants  
I tell a bitch go get money  
She bringin' it back  
When I program the bitch  
Have her bringin' me stacks  
All business no pleasure  
Cash, no checks  
??... just don't play with me[Kenoe]  
You can tell I'm a mack by the way that I talkYou can tell I'm a G by the way that I walk  
You can tell I'm super fly by the way that I dressYa own momma wanna fuck talkin' bout I'm a mess  
Now follow me  
I keep a gangsta hoe on my side that'll shank a bitch  
I've been in the game been pimpin' hoes and have 'em suckin' dick  
Can I take y'all way back to 1996  
I've been in the game been pimpin' hoes and have 'em suckin' dick[Kenoe: Chorus x 2][Turk talking]  
It's like that  
Pimpin' these hoes  
It ain't over  
U understand?  
I gotta send my shouts outTo all the motherfuckin' pimps across town  
U understand, that nigga Don Juan  
That nigga Pimpin Ken, Ice Berg Slim, ??  
My nigga T.I., can't forget my nigga Snoop Dogg he a pimp  
Oh boy, my nigga Too Short you understand  
And guess what... Turk and Kenoe
