Monster

The Automatic

Brain fried tonight through misuse
Through misuse, through misuse
You can't avoid static abuse
Abuse, abuse

Without these pills you're let loose
You're let loose, you're let loose
Take off, get out, no excuse
No excuse, no excuse

What's that coming over the hill
Is it a monster? Is it a monster?
What's that coming over the hill
Is it a monster? Is it a monster?
What's that coming over the hill
Is it a monster? Is it a monster?
What's that coming over the hill?

Confused, mind bruised, it seeps out
It seeps out, it seeps out
Face down, home town looks so grey
Looks so grey, looks so grey

Convexed you bend, twist and shout
Twist and shout, twist and shout
Stand up brush off get moving
Get moving, get moving

What's that coming over the hill
Is it a monster? Is it a monster?
(x4)

Face down, home town, face down, home town
Face down, home town, it looks so grey
(x4)

What's that coming over the hill
Is it a monster? Is it a monster?
(x4)
