

# I Can't Explain

## Blancmange

I can't explain  
My feeling inside  
That can't be denied  
    You ... the spark  
    You're just like steel  
I don't know why I feel  
    Like this in my life  
    Id rather we  
    The stage in our lives  
    The thin line between  
What's right and what's wrong  
    I can't exlain  
    Uneasy with friends  
    Uneasy with foes  
    Can't explain  
I don't know how to turn  
The throught into words  
    I can't explain  
    Uneasy with friends  
    Uneasy with foes
