Yusuf / Cat Stevens

When a door is closed
Somewhere, there's a door that's opening
When a light goes out
Somewhere, there's a light that's shining

God made everything
Just right

If you never risk to lose
You may never get to win
If you never venture out
You will see nothing

God made everything
Just right

When a flower dies
Somewhere, there's flower blooming
When a Sun goes down
There's a Moon rising

When a door is closed
Somewhere, there's a door that's opening
