Hello Mabel

The Bonzo Dog Band

You know, people may say that it will never do
But I can't help the way I feel when I'm with you

Hello Mabel, are you able to come out today?
It's a lovely day, won't you come and stay?
Hello Mabel, if you're able, slip out on your own
Leave your chaperone so we can be alone

People may say that it will never do
But I can't help the way...

Hello Mabel, if you're able say you'll come please do
For an hour or two
You know I love you

Mmm.. that's nice

Hello Mabel!
Hiya, fellas

People may say it will never do
But I can't help the way
I feel when I'm walking out with you

Hello Mabel, if you're able say you'll come please do
For an hour or two
You know I love you
Shoodela bee,
Shoodela wasp
Shoodela wah wah wah!
