

# You Get What You Give

## New Radicals

Advisory - the following lyrics contain explicit language:

1, 2,  
1, 2, 3! Wake up kids  
We've got the dreamers disease  
Age 14 we got you down on your knees  
So polite, you're busy still saying please  
Frienemies, who when you're down ain't your friend  
Every night we smash their Mercedes-Benz  
First we run, and then we laugh 'til we cry But when the night is falling  
You cannot find the light  
You feel your dreams are dying  
Hold tight You've got the music in you  
Don't let go  
You've got the music in you  
One dance left  
This world is gonna pull through  
Don't give up  
You've got a reason to live  
Can't forget  
We only get what we give I'm comin' home baby  
You're tops,  
Give it to me now Four a.m. we ran a miracle mile  
We're flat broke,  
But hey we do it in style  
The bad rich  
God's flying in for your trial But when the night is falling  
You cannot find a friend (friend)  
You feel your tree is breaking  
Just then You've got the music in you  
Don't let go  
You've got the music in you  
One dance left  
This world is gonna pull through

Don't give up  
You've got a reason to live  
Can't forget  
We only get what we give This whole damn world, could fall apart  
You'll be ok, follow your heart  
You're in harms way, I'm right behind  
Now say you're mine You've got the music in you  
Don't let go  
You've got the music in you  
One dance left  
This world is gonna pull through  
Don't give up  
You've got a reason to live  
Can't forget  
We only get what we give Don't let go  
I feel the music in you  
Don't let go  
Fly high  
What's real, can't die  
You only get what you give  
You are gonna get what you give  
Don't give up  
Just don't be afraid to leave  
Health insurance rip off lying FDA big bankers buying  
Fake computer crashes dining  
Cloning while they're multiplying  
Fashion shoots with Beck and Hanson  
Courtney Love, and Marilyn Manson  
You're all fakes  
Run to your mansions  
Come around  
We'll kick your ass in  
Don't let go  
One dance left  
Don't give up  
Can't forget
