Solo (Game For Two)

Jason Chen

From the moment you walked into my life,
Everything felt so right.
From the moment I looked into your eyes,
I knew I had to make you mine.
Girl you had me hooked on your love but it was all a game to you.
You drove a stake right through to my heart,
and left me bleeding for your love.I tried everything to prove I loved you,
Gave my all to make all of your dreams come true.
But I'm no longer blinded by your lies,
I know your heart was never mine.Why am I the solo player (in this game for two)
I'm the solo player (my love was never true)
I want the solo player (in this game for two)
I can be the solo player (love is a game for two)I saw the look at your smile and it makes me feel,
Everything will be all right (Oh yeah)
It's like I'm still in love with you,
Or maybe I'm just a fool.
Girl you had me hooked on your love but it was all a game to you.
Oh you drove a stake right through to my heart,
But I will bleed for you no more.I tried everything to prove I loved you,
Gave my all to make all of your dreams come true.
But I'm not longer blinded by your lies,
I know your heart was never mine.Why am I the solo player (in this game for two)
I'm the solo player (my love was never true)
I want the solo player (in this game for two)
I can be the solo player (love is a game for two)It doesn't matter how much I loved you,
Or how much I cared.
Even if you come crawling back girl,
Next time I won't be there.I'm prepared to leave it all behind,
Oh no, you were never mine.
And even though it breaks my heart,
Girl I got to let you go.I tried everything to prove I loved you,
Gave my all to make all of your dreams come true.
But I'm not longer blinded by your lies,
I know your heart was never mine[x2] Why am I the solo player (in this game for two)
I'm the solo player (my love was never true)
I want the solo player (in this game for two)
I can be the solo player (love is a game for two)Why am I the solo player?
I can be the solo player...
