

# My Man

## Santana

Boom, boom, boom, Santana's in the room  
Boom, boom, boom, Mary J's in the room  
Boom, boom, ba-boom, boom  
Big Boi, Beat Bullies, let's ride  
I got a man and he's so good to me  
I give love and he gives it back to me  
Say it for me once if you know what I mean  
I said my man's what a man's supposed to be  
I got a man and he's so good to me  
I give love and and he gives it back to me  
Say it for me once if you know what I mean  
I said my man's what a man's supposed to be  
He opens his arms and holds on to me  
He tells me he loves me and oh, I feel it  
And all that I am and all that I'll be  
Is there in his eyes when I hear him sayin' please  
Who loves you baby? I do, I do trust you  
See, see this ain't just 'bout having sex  
I don't even have to touch you  
But you lustful I'm buggin'  
You feel me bulgin' while we huggin'  
We all over one another  
(Scattered, covered, smothered)  
You're my choosey lover  
Never loving others, only rubbing me  
(Me)  
Satisfy Big to the utmost mentally and physically  
(Ly)  
Every king must crown a queen  
To make his kingdom mean anything  
Through thick and slim we gon' win  
We a team by any means y'all  
I got a man and he's so good to me  
I give love and he gives it back to me  
Say it for me once if you know what I mean  
I said my man's what a man's supposed to be  
I got a man and he's so good to me  
I give love and and he gives it back to me  
Say it for me once if you know what I mean

I said my man's what a man's supposed to be  
I got a man and he's so good to me  
I give love and he gives it back to me  
Say it for me once if you know what I mean  
I said my man's what a man's supposed to be  
I got a man and he's so good to me  
I give love and and he gives it back to me  
Say it for me once if you know what I mean  
I said my man's what a man's supposed to be  
The touch of his hand, the sound of his voice  
The way that he loves me 'til he knows I feel it  
And all through the night, forever rejoice  
The angel above me starts to sweetly sing to me  
Who loves you baby? I do, I do adore you  
I'm the best man for the job  
Another man couldn't do nothing for you  
'Cause you're spicy just like me  
We come together like thunder and lightning  
With all of that scratching and biting  
So exciting, it's frightening  
I'm your do-right man and you're my do right  
Not my just for tonight woman  
Making me feel just like a baker  
Quick to put something in your oven  
Not no dumplin's or no stuffin'  
But our own lil' flesh and blood  
'N' a bouncin' lil', baby something  
Pretty girl or handsome son child  
I got a man and he's so good to me  
I give love and he gives it back to me  
Say it for me once if you know what I mean  
I said my man's what a man's supposed to be  
I got a man and he's so good to me  
I give love and and he gives it back to me  
Say it for me once if you know what I mean  
I said my man's what a man's supposed to be  
I got a man and he's so good to me  
I give love and and he gives it back to me  
Say it for me once if you know what I mean  
I said my man's what a man's supposed to be  
My man's what a man's supposed to be

I got a man
