

# All I Want

[Joni Mitchell](#)

I am on a lonely road and I am traveling  
Traveling, traveling, traveling  
Looking for something, what can it be  
Oh, I hate you some, I hate you some, I love you some  
Oh, I love you when I forget about me I wanna be strong, I wanna laugh along  
I wanna belong to the living  
Alive, alive, I want to get up and jive  
I want to wreck my stockings in some juke box dive Do you want, do you want, do you want  
To dance with me, baby  
Do you wanna take a chance on maybe finding  
Some sweet romance with me baby  
Well, come on All I really, really want our love to do  
Is to bring out the best in me and in you too  
All I really, really want our love to do  
Is to bring out the best in me and in you I wanna talk to you, I wanna shampoo you  
I wanna renew you again and again  
Applause, applause, life is our 'cause  
When I think of your kisses, my mind see-saws Do you see, do you see, do you see  
How you hurt me baby  
So I hurt you too  
Then we both get so blue I am on a lonely road and I am traveling  
Looking for the key to set me free  
Oh the jealousy, the greed is the unraveling  
It's the unraveling and it undoes all the joy that could be I wanna have fun, I wanna shine like the sun  
I wanna be the one that you wanna see  
I wanna knit you a sweater, wanna write you a love letter  
I wanna make you feel better, I wanna make you feel free  
Wanna make you feel free, I wanna make you feel free
