This Is Real

Austin Awake

So you don't know this, So you don't know that.

Yea, I think about you on a rainy day.
Thinking about you takes the pain away.
I'm finding it hard for me to stay awake.
Like if they say I can have you Imma make a way.
Come on, so we can do it when the time is right.
Now I'm on, don't be afraid of the lime light.
If I'm wrong then Imma need you to define right.
Define right, define right.

Cuz you got me feeling high when I'm low
Thats the truth yeah that's just how I feel.
I been thinking 'bout you everywhere I go
Baby that's how I know that it's real.

I been moving on the low shit
You know how it goes, I've been chillin' watching time go by.
You probably love me at the top, probably hate me if I stop
I ain't trippin' baby I know why.
They say I'm dumb if I'm thinkin' your the one
But I really can't help it cuz you're fly so fly.
I don't want to know it all, I just want know it's real, I just want to know why.

I just want to know if you love me.
I just want to know how you feel.
I need you to tell me you love me.
I just need to know this is real.

You got me stayin' up late all night.
Girl as long as I'm with you I'll be alright.
You got me thinkin' you're the one, I'm just trynna have some fun
If I'm being truly honest girl its been a good run.
Every single show now, when I'm on the road now
As soon as I get off stage, I'm hittin your phone now.
_____ go now, life need to slow down
It's movin' too fast, so that's why we gettin ____ now.
A little bit of Hennesy, make a lot of memories
Need you in my bedroom, that's a good remedy.
When I'm with you that's the happiest I'll ever be

If it don't work out I'm just hoping you'll remember me.

I been moving on the low shit
You know how it goes, I've been chillin' watching time go by.
You probably love me at the top, probably hate me if I stop
I ain't trippin' baby I know why.
They say I'm dumb if I'm thinkin' your the one,
But I really can't help it cuz you're fly so fly.
I don't want to know it all, I just want know it's real,
I just want to know why.

I just want to know if you love me.
I just want to know how you feel.
I need you to tell me you love me.
I just need to know this is real.
