Up For The Down Stroke

Parliament

"Up For The Down Stroke"
Talking 'bout he's mad
Let's take it to the stage, jack, come on
And get up for the down stroke
Get up for the down stroke
Everybody get up
(X4)
Everybody get up
Get up for the down stroke
Everybody get upParty
It's all about party, yeah
Having a party, y'all
(Get up for the down stroke?) (get down!)
(? .A joke)
Get down on the real side
Get up for the down stroke
Everybody get up
(X6)
Woo, hoo hooI don't care about the cold, baby
Cause when you're hot, you're too much
Cause when you're hot, you're hot
Look at what you've got
(X7)
(Give me the claps)
(Let's take it to the bridge)
(What?)
(He talkin' bout he mad!)
(Make it funky now)
Get up for the down stroke
Everybody get upI don't care about the cold, baby
Cause when you're hot, you're too much
Cause when you're hot, you're hot
Look at what you've got
(X3)
