

# Up For The Down Stroke

## Parliament

"Up For The Down Stroke"

Talking 'bout he's mad

Let's take it to the stage, jack, come on

And get up for the down stroke

Get up for the down stroke

Everybody get up

(X4)

Everybody get up

Get up for the down stroke

Everybody get upParty

It's all about party, yeah

Having a party, y'all

(Get up for the down stroke?) (get down!)

(? .A joke)

Get down on the real side

Get up for the down stroke

Everybody get up

(X6)

Woo, hoo hooI don't care about the cold, baby

Cause when you're hot, you're too much

Cause when you're hot, you're hot

Look at what you've got

(X7)

(Give me the claps)

(Let's take it to the bridge)

(What?)

(He talkin' bout he mad!)

(Make it funky now)

Get up for the down stroke

Everybody get upI don't care about the cold, baby

Cause when you're hot, you're too much

Cause when you're hot, you're hot

Look at what you've got

(X3)
