Keep You Safe

Morandi

I feel you sad like the rain from the clouds
I beg you stop crying before your tears run out
I know you've been hurting too much for too long
And I, I will always keep you safe and sound
You will never be afraid in this town
I will always keep you safe, you know
You will never be alone no moreLa-la-la-la-la
I'm gonna keep you safe
La-la-la-la-la
La-la-la-la-la
I'm gonna keep you safe
La-la-la-la-la
I see you carefree like the birds in the sky
I want you, let me fix your broken wings, and fly
'Cause you know this love can take us so high, high, high
And I, I will always keep you safe and sound
You will never be afraid in this town
I will always keep you safe, you know
You will never be alone no more
I will always keep you safe and sound
You will never be afraid in this town
I will always keep you safe, you know
You will never be alone, be alone, be alone
