

# Kiss Somebody

Morgan Evans

Sometimes you gotta drink about somebody  
But that ain't gonna bring 'em back  
Sometimes you gotta cry and miss somebody  
We've all felt like that  
If it's somethin' that you gotta get over  
But you just can't get over Sometimes you gotta kiss somebody  
In the back of a cab or on a subway train  
Sometimes you gotta kiss somebody  
On a midnight street in the summer rain  
If you're wishin' you were with somebody  
'Cause you don't wanna go home when it's closin' time  
If you wanna kiss somebody, baby I got somebody in mind  
You can kiss like your heart ain't ever been broke  
The kind of lips that your lips get your eyes to close  
I know just what you're goin' through  
'Cause I wanna kiss somebody too  
Kiss somebody like you, I wanna kiss somebody like you Sometimes you try to fix somebody  
Just to find out they'll never change  
So you go out and meet somebody  
That makes you feel the way you thought you'd never feel again Sometimes you gotta kiss somebody  
In the back of a cab or on a subway train  
Sometimes you gotta kiss somebody  
On a midnight street in the summer rain  
If you're wishin' you will with somebody  
'Cause you don't wanna go home when it's closin' time  
If you wanna kiss somebody, baby I got somebody in mind  
You can kiss like your heart ain't ever been broke  
The kind of lips that your lips get your eyes to close  
I know just what you're goin' through  
'Cause I wanna kiss somebody too  
Kiss somebody like you, I wanna kiss somebody like you, yeah Oh girl who's this boy [?]  
The best friend of Dee's [?]  
Girl meets boy  
Girl don't make it harder than it has to be  
Come and lay one on me You can kiss like your heart ain't ever been broke  
The kind of lips that your lips get your eyes to close  
I know what you're goin' through, I do  
So come on and kiss somebody  
In the back of the cab or on the subway train

Come on and kiss somebody  
On the midnight street in the summer rain  
If you're wishin' you will with somebody  
'Cause you don't wanna go home when it's closing time  
If you wanna kiss somebody, baby I got somebody in mind You can kiss like your heart ain't ever been broke  
The kind of lips that get your eyes to close  
I know just what you're goin' through  
'Cause I wanna kiss somebody too  
Kiss somebody like you, I wanna kiss somebody like you  
I wanna kiss somebody
