Only You

Luke Mbang

ONLY YOU

I love you only you, Jesus
I love you only you, Jesus
I love you only you, Jesus
I'm never turning back Jesus
I'll follow you forever Lord
I'll celerbrate your glory Lord
Oh Lord I will obey your word
I'm never turning back

I love you only you, Jesus
I love you only you, Jesus
I love you only you, Jesus
I'm never turning back Jesus
I'll follow you forever Lord
I'll celerbrate your glory Lord
Oh Lord I will obey your word
I'm never turning back

I love you only you, Jesus
I love you only you, Jesus
I love you only you, Jesus
I'm never turning back Jesus
I'll follow you forever Lord
I'll celerbrate your glory Lord
Oh Lord I will obey your word
I'm never turning back
