

Wish You Were Here (Charles Webster Remix)

Bliss

like waves to the shore
part of the ocean
the stars high above
part of the sky now i drift to you
i dream of a river
a water so blue
wish i could live there wish you were here.. like the air that i breathe
u'll always be there
the wings that i need
when i wanna fly now i drift to you
i dream of a river
a water so blue
wish i could live there wish you were here..
