Prostitute 2

Lil' Wayne

Umm, I wouldn't care if you was a prostitute
And that you hit every man that you ever knew
See it wouldn't make a difference if that was way before me and you, girl
And you don't ever have to worry about me, long as you keep it real
Whatever's on your mind, speak on how you feel
Stay truthful to me and never lie to me
And don't you ever keep no secrets no matter...
You know what I mean? Yeah...
And if you don't then I'll explain...
Listen: I say,
I wouldn't care if you was a prostitute
And that you hit every man that you ever knew
See it wouldn't make a difference if that was way before me and you, girl
And you don't ever have to worry about me, long as you keep it real
Whatever's on your mind, speak on how you feel
Stay truthful to me and never lie to me
And don't you ever keep no secrets no matter whatever
You know what I mean, yeah...
And if you don't then I'll explain...You could be my Mrs. Wayne and we can do the damn thang.
I had to tell my brother, man, I met a girl like you
And I ain't never met another girl like you
But I know what to do with a gal like you... I do.
I wouldn't care if you was a prostitute
And that you hit every man that you ever knew
See it wouldn't make a difference if that was way before me and you, girl
And you don't ever have to worry about me, long as you keep it real
Whatever's on your mind, speak on how you feel
Stay truthful to me and never lie to me
And don't you ever keep no secrets no matter whatever
You know what I mean, yeah...
And if you don't then I'll explain...See I give up the game at the top of the arena
There's a jersey wit' my name, baby
What's happenin', baby? What's happenin', baby?
You know you need to roll wit' a champion, baby
And every time I see you I get asthma, baby
Like: "[[Gasps]] ... that's my baby."I wouldn't care if you was a prostitute
And that you hit every man that you ever knew
See it wouldn't make a difference if that was way before me and you, girl
And you don't ever have to worry about me, long as you keep it real

Whatever's on your mind, speak on how you feel
Stay truthful to me and never lie to me
And don't you ever keep no secrets no matter whatever
You know what I mean, yeah... uh.
Yeah... uh.
Yeah... uh.
See, 'cause...I ain't the kind that kiss and tell
But my man say that he really know you well
But I don't care, I wanna know you for my damn self
And even though stunners say you scandalous
And you known to go from one man to the next
But I don't care what he say
No, I don't care what he say
Because they can say what they want, girl
But they will never change my views
'cause they will never know you the way that I know you
And I'm tryin' to share the rest of my whole life with you
And if it gotta be a thong, so be it baby
And if your friends can't understand...You don't need 'em, baby...
You don't need 'em, baby...
You don't need 'em, baby...
Don't need 'em... You tell 'em.Now let me hear you say "I love it", baby
Say "I love it", baby...
Say "I love it", baby...
Say "I love it", baby...
Say "I love it", baby...
Say "I love it", baby...
Say "I love it", baby...
I love it, baby... yeah
Say "I love it", baby... (I love it, baby)
Say "I love it", baby... (I love it, baby)
Say "I love it", baby... (I love it, baby)
Say "I love it", baby... (I love it, baby)
Say "I love it", baby... (I love it, baby)
I love it, baby... (I love it, baby)
Say "I love it", baby... (I love it, baby)
Say "I love it", baby.
