All I Got Is You

Johnny Clegg

I lie here in the dark on my own
I see the stars, they make me smile
'Cause they're so far
And I feel I can touch themI know you like the stars are so far
You make me cry as I lie here
'Cause I know I am lost without youAll I got is you, babe
All I got is you, baby
Take my fortress with a kiss
Shoot your arrow, never missAll I got is you, babe
All I got is you, baby
Helter skelter in the swelter
Through the hard night, give me shelterI saw you dancing free
Like a soul that was on fire
I saw the glow and the crowd did cheer
And the king was smilingAll I got is you, babe
All I got is you, baby
Take my fortress with a kiss
Shoot your arrow, never missAny dreams will do, babe
As long as it's with you, babe
Helter skelter in the swelter
Through the hard night, give me shelterAll I got is you, babe
All I got is you, babyAll I got is you, babe
All I got is you, baby
All I got is you, babeAll I got is you, babe
All I got is you, baby
All I got is you, babe
All I got is you, baby
All I got is you, babe
