

One Two Brown Eyes

Them

I went out last night walking
I heard someone talking
You better stop staying out late at night
Straighten up and fly right You better stop telling those lies
A-gonna cut you down to my size
You got one, you got two
Brown eyes
Hypnotize, hypnotize, hypnotize Yeah-yeah, yeah-yeah
Whoa-whoa-whoa-whoa You got such pretty good looks
But don't read about good books
You better stop staying out late at night
A-straighten up and fly right A-gonna cut you down to my size
You got one, two brown eyes, hypnotize
Oh, wide eyes, hypnotize Yeah-yeah, yeah-yeah
Whoa-whoa-whoa-whoa, whoa-whoa-whoa
