Yellow Halo

Goldfrapp

one day
you said, you wanted to fly
a super kind
oh, and i rose
to the moon
wearing all white
one day, one year
the seasons come
the moon's still here
don't break honestly
wake up to me
what are you dreaming?
yellow halo
all your colours
yellow halo
far and clean

yellow halo
all your colours, back when
yellow halo
oooooh ooooooh
yellow halo
yellow halo
all your colours, back when
yellow halo
far and clean
yellow halo
all your colours
yellow halo
oooooh ooooooh
