

# Bye Bye

Jo Dee Messina

Boy you sure look good there standin' in the doorway in the sunset light  
Maybe I read you wrong thinkin' you could be my Mr. Right  
I was puttin' my heart and soul on the line  
Said you needed some time, just a little more time to make up your mind  
Well it's been long enough  
Time is up Bye bye love I'll catch you later  
Got a left foot down on my accelerator and the rear view mirror torn off  
I ain't never lookin' back and that's a fact  
I've tried all I can imagine  
I've begged and pleaded in true lover's fashion  
I've got pride I'm takin' it for a ride  
Bye bye, bye bye my baby, bye bye Don't think all those tears are gonna hold me here like they've done before  
You'll find what's left of us in a cloud of dust on highway 4  
Baby what did you expect me to do  
Just sit around and wait on you  
Well I'm through watchin' you just skate around the truth  
And I know it sounds trite  
I've seen the light Bye bye love I'll catch you later  
Got a left foot down on my accelerator and the rear view mirror torn off  
'Cause I ain't never lookin' back, and that's a fact  
I've tried all I can imagine  
I've begged and pleaded in true lover's fashion  
I've got pride I'm takin' it for a ride  
Bye bye, bye bye my baby, bye bye I'd lost the game I guess  
I did my best to win the part  
Now I'm leavin' here with what's left of my heart  
Bye bye, I'll catch you later  
Got a left foot down on my accelerator and the rear view mirror torn off  
'Cause I ain't never lookin' back you can count on that  
I've tried all I can imagine  
I've begged and pleaded in true lover's fashion  
I've got pride I'm takin' it for a ride  
Bye bye, bye bye my baby, bye bye  
Bye bye  
Oh baby  
Oh  
Bye bye, bye bye my baby, bye bye
