I'm still waiting
I'm still waiting
I'm still waiting
I'm still waitingWaiting for Christ in the USA
Waiting for Christ in the USA
Waiting for Christ in the USA
Waiting til I dieWaiting for the day
Waiting for the day
Waiting for the day
He needs meI'm still waiting
I'm still waiting
I'm still waiting
I'm still waitingWasting my time in the USA
Wasting my time in the USA
Wasting my life in the USA
Waiting til I dieWaiting for the day
Waiting for the day
Waiting for the day
He needs meWaiting for the day
Waiting for the day
Waiting for the day
He needs meI'm still waiting
I'm still waiting
I'm still waiting
I'm still waitingWaiting for a life in the USA
Waiting for a life in the USA
Waiting for a life in the USA
