KIDZ BOP Kids

Tonight, you come and pick me up
The headlights
Long drive, could end in broken hearts or paradise
Fade into view, it's been a while since I have even heard from you
I should just tell you to leave cause I
Know exactly where it leads but I
Watch us go round and round each time You got that James Dean day dream look in your eye
And I got that red dress classic thing that you like
And when we go crashing down, we come back every time.
Cause we never go out of style
We never go out of style You got that long hair, slicked back, white t-shirt.
And I got that good girl faith and my favorite shirt,
And when we go crashing down, we come back every time.
Cause we never go out of style
We never go out of style You got that James Dean day dream look in your eye
And I got that red dress classic thing that you like
And when we go crashing down, we come back every time.
Cause we never go out of style
We never go out of style You got that long hair, slicked back, white t-shirt.
And I got that good girl faith and my favorite shirt,
And when we go crashing down, we come back every time.
Cause we never go out of style
We never go out of style Take me home
Just take me home
Just take me home
Just take me home You got that James Dean day dream look in your eye
And I got that red dress classic thing that you like
And when we go crashing down, we come back every time.
Cause we never go out of style
We never go out of style
