

# Wipe It 'Til It Bleeds

## Turbonegro

Alright, yeah, yeah, yeah, whoo, whoo, whoo  
Yeah, yeah, yeah, whoo, whoo, whooWanna give it up, wanna beef it up  
Wanna make it beg for more  
Gotta keep it clean, you little meat-machine'Cause it's the only only thing you got  
Gotta make it last, sign another brat [unverified]  
Get it ready to get it on, you gotta wipe it clean  
Get the magic sheetSo wipe it 'til it bleeds, yeah, yeah, yeah  
Wipe it 'til it bleeds, whoo, whoo, whooIt's a golden door make it make  
Some noise, you gotta make it clean  
Such a shiny dream you gotta check the scene  
Got my Scandinavian leather onLearn to let it dry or it'll fucking die  
You gotta let it bleed, gotta stretch it out  
Gotta flex [unverified] it out, work the baby  
All night long, work the baby all night longAll night long, see the young Lord  
Looking so very good, he rode down to the village  
Just like I knew he would, such a lusty little  
Pimpster he takes what he wants, [unverified]  
And now right nowWipe it 'til it bleeds, you gotta keep it clean
