Perfect Day

Various Artists

by Lou Reed
Just a perfect day
Drink sangria in the park
And then later, when it gets dark, we'll go home
Just a perfect day
Feed animals in the zoo
Then later a movie too, and then home
Chorus:
Oh it's such a perfect day
I'm glad I spent it with you
Oh such a perfect day
You just keep me hanging onx2
Just a perfect day
Problems all left alone
Weekenders on our own
It's such fun
Just a perfect day
You make me forget myself
I thought I was someone else
Someone good
Chorus
You're going to reap just what you sow
You're going to reap just what you sow
You're going to reap just what you sow
You're going to reap just what you sow
