Hold Your Hand

J.T. Roach

Maybe I find it hard
Watchin' you live
Maybe I find the truth
Questions I can't bare
Feelin' so tired
I'm wonderin' where
Selfish love inspires
Are you there to hold my hand?
Savin' me who I spy
Maybe you are the rain
Who makes my eyes closed
Ocean's spray and gray
Feelin' my despair
Your happy smile is broken
I'm wonderin' there
Selfish love has spoken
(Selfish love has spoken)
Are you here to hold?
Are you there to hold my hand?
Selfish love has spoken
(Savin' me who I spy)
Are you here to hold?
Are you there to hold my hand?
Selfish love has spoken
(Savin' me who I spy)
Are you here to hold?
Are you there to hold my hand?
Selfish love has spoken
(Savin' me who I spy)
