Dirty Sexy Money

The Struts

Rocket
Ignite my rocket
Don't ever stop
She's a ten
She's a ten
She's a ten
Burning
Inside I'm burning
I wanna do it again
Oh again
And againSex crazed tiger full of dynamite
Go fast loving at the speed of light
Growing
She's got me going
Her body's glowing in bed
In my bed
In my bed
Oh, are you ready?
Are you ready?
(Until you are)She got money (ooh, ooh)
Dirty sexy money (ooh, ooh)
My high-street honey (ooh, ooh)
She knows what she's got
Because she's so shit hot
She got money (ooh, ooh)
Dirty sexy money (ooh, ooh)
My high-street honey (ooh, ooh)
She knows what she's got
Because she's so shit hot
(That's what I'm talking about)Ready
We're always ready
It's getting heavy
Again
And again
And again
Stop it
Don't ever stop it
Don't ever stop
Tell you when

Tell you when
Tell you whenHard deep loving is the way she thrives
Get no sleep 'til the day she dies
Aching
My body's aching
The earth is quaking yhe ground
What a sound
What a sound
Oh, are you ready?
Are you ready?
(pull the trigger)She got money (ooh, ooh)
Dirty sexy money (ooh, ooh)
My high-street honey (ooh, ooh)
She knows what she's got
Because she's so shit hot
She got money (ooh, ooh)
Dirty sexy money (ooh, ooh)
My high-street honey (ooh, ooh)
She knows what she's got(Yeah, Yeah)
Dirty sexy
(ooh, ooh)
(ooh, ooh)
(ooh, ooh)She got money (ooh, ooh)
Dirty sexy money (ooh, ooh)
My high-street honey (ooh, ooh)
She knows what she's got
Because she's so shit hot
She got money (ooh, ooh)
Dirty sexy money (ooh, ooh)
My high-street honey (ooh, ooh)
She knows just what she's got
Because she's so shit hotSexy
