

# Twinkle Twinkle Little Star

## Paul Ansell`s Number Nine

Twinkle, twinkle, little star  
How I wonder what you are  
Up above the world so high  
    Like a diamond in the sky  
When the blazing sun is gone  
When he nothing shines upon  
Then you show your little light  
Twinkle, twinkle, all the night  
    Then the traveler in the dark  
Thanks you for your tiny spark  
He could not see which way to go  
    If you did not twinkle so  
In the dark blue sky you keep  
And often through my curtains peep  
    For you never shut your eye  
    Till the sun is in the sky  
And as your bright and tiny spark  
    Lights the traveler in the dark  
Though I know not what you are  
    Twinkle, twinkle, little star  
    Twinkle, twinkle, little star  
    How I wonder what you are  
    Up above the world so high  
    Like a diamond in the sky  
    Twinkle, twinkle, little star  
    How I wonder what you are  
    How I wonder what you are
