Dance With the Wolves

Ruslana

na nay na na na
na nay na na na
na nay na na na na
na nay na na na

you make me angry
you drive me crazy
the more i care for you
the more I'm over you
You make me feel pain
You make me love in vain
The more I'm getting close the more i walk away

I won't be back
don't wait for me
(hey hey)
Hey this is it now, hey this is it
I'm on the track
don't look for me
(hey hey)
Hey this is it now
Hey this is it

I'm not gonna cry
I'll stay in the woods
When my hearts aching, ill dance with the wolves
I'm not gonna try
To mess with my rules
When my hearts breaking, ill dance with the wolves

You think you love me
You think you control me
The more you feel you right
The more your going wrong
don't say you got me you don't k now anything about me.
the more you make me weak
The more I'm getting strong - my way

(chorus)

Hey hey (instrumental)

(chorus)

(backing vocals na nay na na na)

Hey- go ahead
Dance my wolves
Hey go wild
Dance with me!
(x4)
