She's All I Want

Eoghan Colgan

She wonâ€™t believe what Iâ€™ve become
So long Iâ€™ve swam in search of solid ground
And sheâ€™s all I see when Iâ€™m in need
And sunlight be gone
And she wonâ€™t believe what Iâ€™ve become

Sheâ€™s all I want
Sheâ€™s all I want
As long as youâ€™re here then Iâ€™ll be fine
Sheâ€™s all I want
Sheâ€™s all I want
My life began when you said that youâ€™d be mine

And sheâ€™ll always be safe from harm
And Iâ€™ll lift you up
And Iâ€™ll wrap you in my arms
And Iâ€™ll help you see when youâ€™re in need
And sunlight be gone
And sheâ€™ll always be safe from harm

Sheâ€™s all I want
Sheâ€™s all I want
As long as youâ€™re here then Iâ€™ll be fine
And Sheâ€™s all I want
Sheâ€™s all I want
My life began when you said that youâ€™d be mine

I picture myself in a crowd
I picture my side thatâ€™s where youâ€™ll be found
And all that I want is to make you proud
Youâ€™re all that I need when I run aground
I picture myself in a crowd
I picture my side thatâ€™s where youâ€™ll be found
And all that I want is to make you proud
Youâ€™re all that I need when I run aground

I picture myself in a crowd
I picture my side thatâ€™s where youâ€™ll be found
And all that I want is to make you proud

Youâ€™re all that I need when I run aground
