

Prozak (Be Like Me)

Dexter Freebish

I'm gonna spend another night all by myself
Like a loser on the outside looking in
And no one cares if I disappear and don't come back
'Cause the only friends I have are in my head
And I know that I'm alive but I feel dead I wanna be that guy that gets the girl and saves the world
Then everyone would wanna be like me, be like me
I wanna be that guy that's got it made gets overpaid
Then everyone would wanna be like me, be like me Confidence and ego trips I never took
You'll never know the places that I've been
Who is gonna sell me a miracle?
'Cause every star I've wished on fades away
And my universe gets dimmer every day I wanna be that guy that gets the girl and saves the world
Then everyone would wanna be like me, be like me
I wanna be that guy that's got it made gets overpaid
Then everyone would wanna be like me, be like me Well who am I to blame?
There's nothing I can change
Everything's the same I wanna be that guy that gets the girl and saves the world
Then everyone would wanna be like me, be like me
I wanna be that guy that's got it made gets overpaid
Then everyone would wanna be like me, be like me
Then everyone would wanna be like me, be like me
Then everyone would wanna be like me, be like me
